

Defend Town Plans U.A. Contribution Form

Name _____

Address _____

Email _____

Phone number(s): _____

Amount contributed: _____

- I am not a member of the Defend Town Plans association but would like to become a member.
- I would like to receive email updates on the progress of the claim.

All contributions (donor names and amounts contributed) will be kept private, with only the president and treasurer of the Defend Town Plans association having access to that information.

I understand that my contribution will go toward legal expenses for appealing the Brunson rezoning in Circuit Court in Jefferson County. I understand that once the legal case concludes, any amounts that are left over will be redistributed to the donors proportionally (for example, if 10% of the funds collected are left, then each contributor would receive 10% of their contribution back), unless I opt out.

- I would like to opt out of having funds returned to me.
